Anytime Fitness in partnership with the
Lake County Fire Association Presents

5th ANNUAL BENCH BATTALION 2025

All Proceeds go to the NWI First Responder Peer Support Group

A volunteer based group established in January 2023 as a collaborative effort with the Lake County Fire Fighters Association and local fire departments.

Peer Supporters include licensed mental health professionals and religious leaders, as well as Team Members comprised of peer supporters from police, fire, EMS, and dispatching backgrounds who provide mental and emotional support to our first responders.

The Peer Support Group responds to traumatic events, such as fatal house fires, officer-involved shootings, pediatric deaths, and drowning and supports first responders with work-related, home, financial, substance abuse, and parenting challenges.

Sponsorship contributions directly support the mental and emotional health of our first responders.

Please contact Nicole Cianci or Amanda Miller if you have any questions or would like to be a sponsor.

Phone: 323-3233 Emails: ncianci@anytimefitness.com / Amanda.Miller@anytimefitness.com

We look forward to partnering with you to make this event a success!
